DESCRIPTION
Baggeridge Craft & Enterprise Park is a 12 unit scheme specifically designed to compliment Baggeridge Country Park which adjoins the development.

The Craft and Enterprise scheme is being constructed by David Wilson Homes as part of its development of Baggeridge Village which comprises 194 new homes and a care home development.

The Craft and Enterprise scheme is linked to Baggeridge Country Park, which opened in 1983 and offers 150 acres of countryside and recreational space with facilities including:

- Miniature railway
- Mountain bike trails
- Aerial rope adventure
- Childrens’ playpark
- Fishing
- Walking

SPECIFICATION
The units will be built in 4 blocks and will be of mono-pitch construction with a maximum height of 3.3m with the rear elevation of 2.9m and an internal truss height of 2.4m. The buildings will be of brick to approximately 900mm with cladding boards above, pedestrian access door and double windows to both the front and rear. In addition, signage panels are also to be installed on the front and rear elevations.

The premises will benefit from NHBC 10 year warranties.

Internally the premises will be fitted with a gas fired boiler, sink and WC.

Externally the development will adjoin a substantial car park and a coach park.

The scheme will be situated next to an impressive industrial chimney which the developers have retained as a link to the heritage of the former site which was historically home to Baggeridge Brickworks.

All parties are advised to make their own enquiries to the local Planning Authority to establish suitability of use.

SERVICE CHARGE
A service charge will be levied to cover the costs of maintenance and upkeep of the common parts of the Enterprise & Craft Park.
